- Base available in black, white, lava, and hemp.*
- Dimensions** *Extendable round version/extendable rectangular version 160 200*

*Lightweight and almost suspended, the delicately curved sheet metal base of the Orion table evokes the image of a ballet dancer on pointe. This elegant structure is available in two variants: round and rectangular, both offered in fixed and extendable versions. Thanks to its versatility, the Orion table perfectly adapts to any stylistic need. Furthermore, the available tops in ceramic and laminate add a touch of refinement and customization, allowing you to create a unique and impeccable environment.*
