

VIS À VIS

Michele Groppi / 2023

Vis à Vis is a magic trick, between technique and illusion.
Once again, we decided to take away, seeking only the light.
Transparency is the main feature of this battery-powered lamp.

Vis à Vis è un gioco di prestigio, tra la tecnica e l'illusione.
Abbiamo pensato, ancora una volta, di togliere, cercando solo la luce.
La trasparenza è la caratteristica principale di questa lampada a batteria.
