

A luminous short film.

Telling a story in light, a series of old 35MM slides are lit from behind,
pulsating and shown at random.

The photographs can be assembled and replaced as you like.

The choice of the message to be communicated is completely personal:
it can be an image, a logo, a sentence, anything you want to represent, at any time.

The light message is punctuated by a blinking LED, offering reading in movement.

Un cortometraggio luminoso.

Per raccontare una storia con la luce, retroilluminando in modo pulsante
e casuale le vecchie diapositive da 35MM.

Le fotografie possono essere montate e sostituite a piacimento.

La scelta del messaggio da comunicare è del tutto personale: può essere un'immagine,
un logo, una frase, tutto ciò che al momento si vuole rappresentare.

Il messaggio luminoso, ritmato attraverso la diversa intermittenza dei LED,
permette una lettura in movimento.
