DESCRIPTION

Demetra is essential, functional and timeless. In keeping with Naoto Fukasawa's "Without Thought" approach, it is "natural" like a spontaneous expression of the harmonious relationship between the user, the object and the environment. Perfect for reading, its light can set different moods and follow the flow of our activities, at home or work, thanks also to the possibility of incorporating a motion sensor which manages the device lighting according to the proximity of the user. The wall lamp versions derive from the original table lamp.
