

nh 14 Ceiling

Neri&Hu

IP20    Dimmerable: 

LUMINAIRE *

- Watt: **5W**
- Voltage: **220-240V**
- Delivered lumen output: **378lm**
- Efficiency: **80%**
- Efficacy: **75.57lm/W**

* **CR180** data may vary depending on the source installed.
Light measurements are provided in relative form and technical lighting calculations may be updated according to the effective source used.

DESCRIPTION

nh continues the study on the dynamic interaction of expertise, details, materials, form, and light that Neri&Hu are developing with Artemide. The selected materials represent a perfect combination of tradition and innovation, as well as the expression of responsible and sustainable design, also conveyed by the use of a lowconsumption retrofit LED source. Like all the projects designed by Neri&Hu, nh offers a reinterpretation of the Oriental culture and tradition with a constant contemporary approach. With surprising lightness and elementary movements nh creates a landscape of elements generating – either individually or combined with each other – a non-static balanced composition characterized by elegant colour and material matching.

FEATURES

- Product Code: **1284010A**
- Colour: **Black/brass**
- Installation: **Ceiling**
- Material: **Blown glass, brushed brass**
- Series: **Design Collection**
- Environment: **Indoor**
- design by: **Neri&Hu**

DIMENSIONS

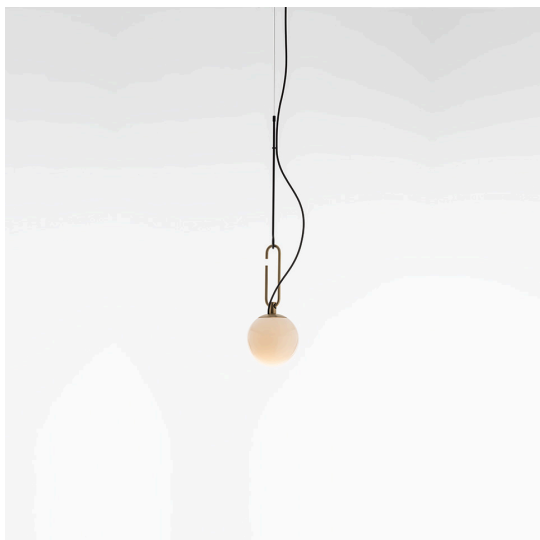

- Height: **410 mm**
- Diameter: **140 mm**
- Base Diameter: **140 mm**

SOURCES NOT INCLUDED

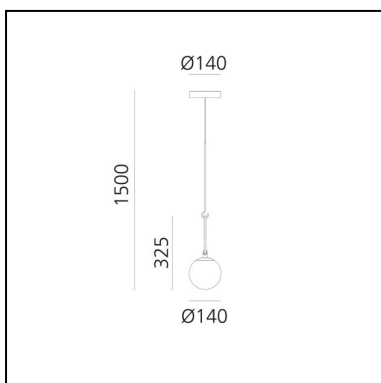

- Category: **LED RETROFIT**
- Number: **1**
- Watt: **5W**
- Socket: **E14**

nh 14 Suspension
