

Knop Wall/Ceiling

BIG - Bjarke Ingels Group

IP65  

LUMINAIRE

- Watt: **11W**
- Delivered lumen output: **709lm**
- CCT: **3000K**
- Efficiency: **59%**
- Efficacy: **64.46lm/W**
- CRI: **90**

DESCRIPTION

Knop collection is iconic in the simplicity of its geometric shapes, perfectly functional and designed to interact with the surrounding natural environment.

The curvature of the head echoes the geometry of Gople, a detail that creates a dialogue with BIG's other indoor and outdoor proposals for Artemide.

A "family feeling" that is not formal standardisation but a sign that creates a compositional balance within diversification.

This geometry, combined with carefully selected finishes, is perfect for blending seamlessly into outdoor environments, reflecting nature and helping to keep the bollard head clean. The Knop collection consists of three elements of different heights and a wall version to cater to the various needs of outdoor spaces, marking paths or creating large illuminated areas where people can linger.

The geometry of the head screens light in compliance with regulations, avoiding glare, and the structure is minimal but very durable, perfect not only for private but also public outdoor spaces.

FEATURES

- Product Code: **T050310**
- Colour: **Silver**
- Installation: **Wall**
- Series: **Novelties, Architectural Outdoor**
- design by: **BIG - Bjarke Ingels Group**

DIMENSIONS

- Height: **152 mm**
- Diameter: **315 mm**
- Base Diameter: **160 mm**
